Microscopy and Microanalysis Facility

User Fee Schedule: May 1, 2026 - April 30, 2027 **(hourly rates unless otherwise indicated)**

Tissue Processor - Paraffin – UNB or Other Uni	\$100 / run + tech time
Tissue Processor - Paraffin – External	\$175 / run + tech time
Microtome by Client – UNB or Other Uni	\$20 / hour
Microtome by Client – External	\$50 / hour
Staining by Client – Hematoxylin & Eosin	\$25 / glass basket
Staining by Client – Specialty Stain	\$50 / glass basket
Technical Support – UNB Early Career (< 5 yrs)	\$32 / hour
Technical Support – UNB	\$50 / hour
Technical Support – Other University	\$75 / hour
Technical Support – External	\$125 / hour

The tissue processor can hold approx. 90 regular cassettes or 40 mega cassettes.

Sample preparation costs including processing cassettes and microtome blades are not included in the instrument fees and are charged at cost.

Glass slides and cover slips are not provided if the client prefers to section and stain by themselves unless requested for an additional charge.

Acknowledgements to the “UNB Microscopy & Microanalysis Facility” would be appreciated in any publication, poster or presentation that makes use of data collected in the facility or by its staff.

We would like to thank [staff member] from the University of New Brunswick Microscopy and Microanalysis Facility (RRID:SCR_028064) for their expertise with image collection and/or image processing and analysis.

Thank you.
